Surge Protective Device Ex9UE2 20 2P 275

Stamps

Műszaki specifikáció

IP	20
EAN Code	8592765033529
Color	Szürke
Mounting method	35 mm-es DIN-sínre szerelhető
Width in number of modular spacings	2
System configuration	TN-S, TT
Type of poles	2
Nominal discharge surge current (8/20) [kA]	20
Nominal voltage AC [V]	275
Max. continuous voltage AC [V]	275
Voltage protection level L-N [kV]	1.4
Voltage protection level N-PE [kV]	-
Short-circuit-proof	igen
Construction size	2 modul
Max. conductor cross section solid (solid, stranded) [mm²]	35
Max. conductor cross section flexible (fine-strand) [mm²]	35
With remote signalling contact	No
Integrated backup fuse	No
Signalling at the device	Optikai
Category type 2	Yes
Power loss [W]	0.1
Warranty	5 év
