Technische Spezifikation

Brand	NOARK	**Voltage type**	DC
IP	20	**Switching function**	Off switch
EAN Code	8592765017642	**Number of normally open contacts**	4
Width in number of modular spacings	4	**Number of normally closed contacts**	
Power loss [W]	8	**Number of change-over contacts**	
Number of poles (total)	4	**Rated switching capacity [kA]**	0.64
Nominal rated voltage [V]	1000	**Forced segregation (according to DIN VDE 0113)**	Yes
Nominal rated current [A]	32	**With signal lamp**	No
Short-circuit breaking capacity (Icw) [kA]	0.38	**Colour calotte**	Grey
Built-in depth [mm]	79.5	**Warranty**	5 Years
