Technische Spezifikation

Brand	NOARK	Rated permanent current I_u [A]	26
IP	20	Rated short-time withstand current I_{cw}	0.7
EAN Code	8592765135087	Device construction	Built-in device fixed built-in technique
Color	Grey	Suitable for ground mounting	No
Number of poles (total)	2	Suitable for front mounting 4-hole	No
Version as main switch	Yes	Suitable for front mounting center	Yes
Version as maintenance-/service switch	Yes	Suitable for distribution board installation	Yes
Version as safety switch	No	Suitable for intermediate mounting	Yes
Version as emergency stop installation	No	Type of control element	Door coupling rotary drive
Version as reversing switch	No	Interlockable	No
Number of switches	1	Type of electrical connection of main circuit	Cable clamp
Rated operating voltage [V]	1500	Warranty	5 Years
