NOARK

Residual Current Circuit Breaker Ex9L-N 4P 40A A 100mA

Stamps

Technical Specification

Brand	NOARK	**Rated fault current [A]**	0.1
IP	20	**Leakage current type**	A
EAN Code	8592765083661	**Selective protection**	No
Operating Frequency	50Hz	**Short-circuit breaking capacity (Icw) [kA]**	6
Mounting method	DIN rail	**Surge current capacity [kA]**	3
Width in number of modular spacings	4	**Additional equipment possible**	No
Power loss [W]	15.3	**Construction size (in accordance with DIN 43880)**	4
Number of poles (total)	4	**Built-in depth [mm]**	79
Nominal rated voltage [V]	400	**Short-time delayed tripping**	No
Nominal rated current [A]	40	**Warranty**	5 Years
