Residual Current Circuit Breaker Ex9L-N 4P 63A 100mA

Stamps

Technical Specification

Catalog Number	108337
Brand	NOARK
IP	20
EAN Code	8592765083371
Operating Frequency	50Hz

Mounting method	DIN rail
Width in number of modular spacings	4
Power loss [W]	24
Number of poles (total)	4
Nominal rated voltage [V]	400
Nominal rated current [A]	63
Rated fault current [A]	0.1
Leakage current type	AC
Selective protection	No
Short-circuit breaking capacity (I_{cn}) [kA]	6
Surge current capacity [kA]	3
Additional equipment possible	No
Construction size (in accordance with DIN 43880)	4
Built-in depth [mm]	79
Short-time delayed tripping	No
Warranty	5 Years
