Technical Specification

Brand	NOARK	Voltage type	DC
IP	20	Switching function	Off switch
EAN Code	8592765017642	Number of normally open contacts	4
Width in number of modular spacings	4	Number of normally closed contacts	
Power loss [W]	8	Number of change-over contacts	
Number of poles (total)	4	Rated switching capacity [kA]	0.64
Nominal rated voltage [V]	1000	Forced segregation (according to DIN VDE 0113)	Yes
Nominal rated current [A]	32	With signal lamp	No
Short-circuit breaking capacity (I_{cw}) [kA]	0.38	Colour calotte	Grey
Built-in depth [mm]	79.5	Warranty	5 Years
