NOARK

Residual Current Circuit Breaker Ex9L-N 2P 63A 30mA

Stamps

Technical Specification

Brand	NOARK	**Rated fault current [A]**	0.03
Product Code	Ex9L-N 2P 63A AC 30mA 6kA EU	**Leakage current type**	AC
IP	20	**Selective protection**	No
EAN Code	8592765083166	**Short-circuit breaking capacity (Icw) [kA]**	6
Frequency	50/60Hz	**Surge current capacity [kA]**	3
Mounting method	DIN rail	**Additional equipment possible**	No
Width in number of modular spacings	2	**Construction size (in accordance with DIN 43880)**	2
Power loss [W]	15	**Built-in depth [mm]**	79
Number of poles (total)	2	**Short-time delayed tripping**	No
Nominal rated voltage [V]	230	**Warranty**	5 Years
Nominal rated current [A]	63
