Technical Specification

Brand	NOARK	Rated fault current [A]	0.03
Product Code	Ex9L-N 2P 63A AC 30mA 6kA EU	Leakage current type	AC
IP	20	Selective protection	No
EAN Code	8592765083166	Short-circuit breaking capacity (I_{cn}) [kA]	6
Frequency	50/60Hz	Surge current capacity [kA]	3
Mounting method	DIN rail	Additional equipment possible	No
Width in number of modular spacings	2	Construction size (in accordance with DIN 43880)	2
Power loss [W]	15	Built-in depth [mm]	79
Number of poles (total)	2	Short-time delayed tripping	No
Nominal rated voltage [V]	230	Warranty	5 Years
Nominal rated current [A]	63
