

# OPTONICA

## DATASHEET

### LED felszíni panel kerek

Putere

24W

Culoare deschisă

Stamps

## Specificatii tehnice

|                              |               |  |                |
|------------------------------|---------------|--|----------------|
| Brand                        | Optonica      | Instant On                               | 0.1s           |
| Product Code                 | DL24-A8       | Material                                 | PC+ABS         |
| Power                        | 24W           | Operating Frequency                      | 50-60 Hz       |
| Energy Consumption           | 24 kWh/1000h  | Temperature                              | -20°C / +40°C  |
| Input voltage                | AC180-265V    | Ra ≥                                     | 80             |
| Flux                         | 2250 lm       | Life span                                | 25 000 Hours   |
| FLUX per watt                | 94lm/W        | Color Code                               | 860            |
| IP                           | 20            | Body Color                               | White          |
| Dimmable                     | No            | Lumen maintenance at end of service life | 70%            |
| Correlated Color Temperature | 6000K         | Size of product                          | φ310x56 mm     |
| Light Color                  | White light   | Size of package                          | 315x315x60 mm  |
| Wattage Equivalent           | 192W          | Size of Box                              | 625x330x330 mm |
| EAN Code                     | 3800156622739 | Items per pack                           | 1              |
| Energy Efficiency Label      | E             | Items per box                            | 20             |
| Beam angle                   | 120°          | Gross weight                             | 0,628 kg       |
| Power Factor                 | 0.5           | Net weight                               | 0,5065 kg      |
