## Especificación técnica

|                         |                  |
|-------------------------|------------------|
| Brand                   | Optonica         |
| Product Code            | ST5050-A2        |
| Energy Consumption      | 14.4/m kWh/1000h |
| Input voltage           | DC12V            |
| Flux                    | 1000 lm/m        |
| IP                      | 54               |
| Dimmable                | Yes              |
| Light Color             | Roja             |
| EAN Code                | 3800156648432    |
| Energy Efficiency Label | G                |
| Beam angle              | 120°             |
| Power Factor            | 0.5              |
| On/Off Cycles           | 25 000x          |
| Instant On              | 0.2s             |
| Material                | Flex PCB         |

|                                          |                     |
|------------------------------------------|---------------------|
| Operating Frequency                      | 50-60 Hz            |
| Temperature                              | -20°C / +40°C       |
| Ra ≥                                     | 80                  |
| Life span                                | 25 000 Hours        |
| LED Type                                 | SMD                 |
| LEDs/m                                   | 60                  |
| Power per meter                          | 14.4W/m             |
| Roll                                     | 5 m                 |
| Lumen maintenance at end of service life | 70%                 |
| Size of product                          | 10mm x 3mm x 5000mm |
| Cutting distance                         | 50mm                |
| Gross weight                             | 0,182 kg            |
| Net weight                               | 0,032 kg            |
| Warranty                                 | 2 Years             |
