

### Tira LED COB 320LED/m 24V 10W/m RA80 6000K Forma D

Potencia

10W/m

Color de luz

Blanco cálido

Stamps

RoHS

-80

## Especificación técnica

|                              |               |  |                 |
|------------------------------|---------------|--|-----------------|
| Brand                        | Optonica      | Material                                 | Flex PCB        |
| Product Code                 | ST320-A2      | Operating Frequency                      | 50-60 Hz        |
| Power                        | 10W/m         | Life span                                | 25 000 Hours    |
| Energy Consumption           | 10 kWh/1000h  | LED Type                                 | COB             |
| Input voltage                | DC24V         | Roll                                     | 5 m             |
| Flux                         | 900 lm/m      | Lumen maintenance at end of service life | 70%             |
| IP                           | 65            | Size of product                          | 10 mm x 6.5 mm  |
| Dimmable                     | Yes           | Accessories                              | 6540            |
| Correlated Color Temperature | 3000K         | Operating Temperature                    | -20°C/+40°C     |
| Light Color                  | Blanco cálido | Color temperature                        | 3000K           |
| EAN Code                     | 3800156649491 | Certificate                              | IP65, CE & RoHS |
| Energy Efficiency Label      | F             | CRI                                      | 80              |
| Beam angle                   | 120°          | Gross weight                             | 0,056 kg        |
| On/Off Cycles                | 25 000x       | Net weight                               | 0,0467 kg       |
| Instant On                   | 0.1s          | Warranty                                 | 2 Years         |
