

### Tira De LED 2835 Impermeable Profesional Edicion

#### Potencia

4.8W/m

#### Color de luz

#### Stamps

## Especificación técnica

|                         |                 |
|-------------------------|-----------------|
| Brand                   | Optonica        |
| Product Code            | ST2835-A2       |
| Power                   | 4.8W/m          |
| Energy Consumption      | 4.8/m kWh/1000h |
| Input voltage           | DC12V           |
| Flux                    | 300 lm/m        |
| IP                      | 54              |
| Dimmable                | Yes             |
| Light Color             | Azul            |
| EAN Code                | 3800156647367   |
| Energy Efficiency Label | G               |
| Beam angle              | 120º            |
| Power Factor            | 0.5             |
| On/Off Cycles           | 25 000x         |
| Instant On              | 0.2s            |

|                                          |               |
|------------------------------------------|---------------|
| Material                                 | Flex PCB      |
| Operating Frequency                      | 50-60 Hz      |
| Temperature                              | -20°C / +40°C |
| Ra ≥                                     | 80            |
| Life span                                | 25 000 Hours  |
| LED Type                                 | SMD           |
| LEDs/m                                   | 60            |
| Roll                                     | 5 m           |
| Lumen maintenance at end of service life | 70%           |
| Size of product                          | 8 x 3mm       |
| Cutting distance                         | 16.7mm        |
| Gross weight                             | 0,071 kg      |
| Net weight                               | 0,010 kg      |
| Warranty                                 | 2 Years       |
