

## Deye Solar Air Conditioner

Stamps

## Especificación técnica

|                            |                     |                               |                 |
|----------------------------|---------------------|-------------------------------|-----------------|
| <b>Brand</b>               | Deye                | <b>Heating power input</b>    | 1780(320-2190)W |
| <b>Product Code</b>        | DGWA5-ACDCBLW-24KR2 | <b>EER</b>                    | 3.79W/W         |
| <b>Solar Power Voltage</b> | 80-380V             | <b>Indoor unit Dimension</b>  | 1080x330x237mm  |
| <b>Grid Power Voltage</b>  | 208V-240V/50-60Hz   | <b>Indoor unit Packing</b>    | 1140x362x300mm  |
| <b>Cooling Capacity</b>    | 6400(1800-7800)W    | <b>Outdoor unit Dimension</b> | 900x700x337mm   |
| <b>Cooling power input</b> | 1690(340-2550)W     | <b>Outdoor unit Packing</b>   | 1006x755x418mm  |
| <b>Heating Capacity</b>    | 7030(1800-7800)W    |                               |                 |
