## Technical Specification

|                           |                                                     |                                 |          |
|---------------------------|-----------------------------------------------------|---------------------------------|----------|
| Brand                     | Optonica                                            | Max input short-circuit current | 18A      |
| IP                        | 68                                                  | Max continuous input current    | 16A      |
| Light Color               | Pas de couleur                                      | Max input power                 | 600W     |
| EAN Code                  | 3800156694644                                       | Max voltage                     | 60V      |
| Temperature               | -20°C / +40°C                                       | Max system voltage              | 1500V    |
| Size of product           | 103x105.3x21.3mm                                    | Gross weight                    | 0,517 kg |
| Cable                     | 4mm <sup>2</sup> (12AWG) / 4mm <sup>2</sup> (12AWG) | Net weight                      | 0,475 kg |
| Color                     | Black                                               | Warranty                        | 2 Years  |
| Input/Output cable lenght | 150/1050mm                                          |                                 |          |
