

NOARK

Residual Current Circuit Breaker Ex9L-N 4P
40A 100mA

Stamps

Technical Specification

Brand	NOARK	Nominal rated current [A]	40
IP	20	Rated fault current [A]	0.1
EAN Code	8592765083364	Leakage current type	AC
Frequency	50Hz	Selective protection	No
Mounting method	DIN rail	Short-circuit breaking capacity (Icw) [kA]	6
Width in number of modular spacings	4	Surge current capacity [kA]	3
Power loss [W]	15.3	Additional equipment possible	No
Number of poles (total)	4	Construction size (in accordance with DIN 43880)	4
Nominal rated voltage [V]	400	Short-time delayed tripping	No
