Tehnička specifikacija

| | | | |
|--|---------------|--|---------|
| Brand | NOARK | Rated fault current [A] | 0.1 |
| IP | 20 | Leakage current type | A |
| EAN Code | 8592765083661 | Selective protection | No |
| Operating Frequency | 50Hz | Short-circuit breaking capacity (I_{cn}) [kA] | 6 |
| Mounting method | DIN rail | Surge current capacity [kA] | 3 |
| Width in number of modular spacings | 4 | Additional equipment possible | No |
| Power loss [W] | 15.3 | Construction size (in accordance with DIN 43880) | 4 |
| Number of poles (total) | 4 | Built-in depth [mm] | 79 |
| Nominal rated voltage [V] | 400 | Short-time delayed tripping | No |
| Nominal rated current [A] | 40 | Warranty | 5 Years |
