

# OPTONICA

## DATASHEET

### LED Flex-Neon 220V

Vlast

8.5W/m

Svijetla boja

Stamps

RoHS

-80

## Tehnička specifikacija

|                         |               |  |                |
|-------------------------|---------------|--|----------------|
| Brand                   | Optonica      | Operating Frequency                      | 50-60 Hz       |
| Product Code            | ST220-A2      | Temperature                              | -20°C / +40°C  |
| Power                   | 8.5W/m        | Life span                                | 25 000 Hours   |
| Input voltage           | AC220V        | LED Type                                 | SMD            |
| Flux                    | 400 Lm/m      | LEDs/m                                   | 120            |
| IP                      | 65            | Roll                                     | 50 m.          |
| Dimmable                | Yes           | Lumen maintenance at end of service life | 70%            |
| Light Color             | Amber         | Size of package                          | 330x320x180 mm |
| EAN Code                | 3800156645868 | Dimension                                | 16x10 mm       |
| Energy Efficiency Label | G             | Dimensions                               | 10 x 17 mm     |
| Beam angle              | 120°          | Cutting distance                         | 1M             |
| Power Factor            | 0.5           | Gross weight                             | 0,200 kg       |
| On/Off Cycles           | 25 000x       | Net weight                               | 0,175 kg       |
| Instant On              | 0.2s          | Warranty                                 | 2 Years        |
| Material                | Flex PCB      |  |                |
