

# OPTONICA

## DATASHEET

### LED szalag 2835 nem vízálló 3 év garancia

Putere

20W/m

Culoare deschisă

Stamps

RoHS

-80

## Specificatii tehnice

|                              |                 |  |              |
|------------------------------|-----------------|--|--------------|
| Brand                        | Optonica        | On/Off Cycles                            | 25 000x      |
| Product Code                 | ST2835-A5       | Instant On                               | 0.1s         |
| Power                        | 20W/m           | Material                                 | Flex PCB     |
| Energy Consumption           | 20 kWh/m /1000h | Operating Frequency                      | 50-60 Hz     |
| Input voltage                | DC12V           | Life span                                | 25 000 Hours |
| Flux                         | 2100 lm/m       | Weight of Product                        | 127gr/roll   |
| IP                           | 20              | Color Code                               | 842          |
| Dimmable                     | Yes             | LED Type                                 | SMD          |
| Correlated Color Temperature | 4000K           | Roll                                     | 5 m          |
| Light Color                  | Neutral white   | Lumen maintenance at end of service life | 70%          |
| EAN Code                     | 3800156644250   | Size of product                          | 12x2 mm      |
| Energy Efficiency Label      | E               | Gross weight                             | 0,130 kg     |
| Beam angle                   | 120°            | Net weight                               | 0,016 kg     |
| Power Factor                 | 0.95            | Warranty                                 | 3 Years      |
