

# OPTONICA

## DATASHEET

### Beépíthető LED COB Downlight, négyzet alakú, rozsdamentes acél

#### Putere

8W

#### Culoare deschisă

White light

#### Stamps

## Specificatii tehnice

|                              |               |                                          |               |
|------------------------------|---------------|------------------------------------------|---------------|
| Brand                        | Optonica      | Operating Frequency                      | 50-60 Hz      |
| Product Code                 | CB8-A1        | Temperature                              | -20°C / +40°C |
| Power                        | 8W            | Ra ≥                                     | 80            |
| Energy Consumption           | 8 kWh/1000h   | Life span                                | 25 000 Hours  |
| Input voltage                | AC175-265V    | Color Code                               | 860           |
| Flux                         | 560 lm        | Body Color                               | Inox          |
| FLUX per watt                | 70lm/W        | LED Type                                 | COB           |
| IP                           | 20            | Mount Type                               | Built-In      |
| Dimmable                     | No            | Lumen maintenance at end of service life | 70%           |
| Correlated Color Temperature | 6000K         | Size of product                          | 100x100x70 mm |
| Light Color                  | White light   | Size of package                          | 115x115x90 mm |
| Wattage Equivalent           | 64W           | Items per pack                           | 1             |
| EAN Code                     | 3800156632233 | Items per box                            | 30            |
