

### LED kültéri mennyezeti lámpa FEKETE 30W CRI>80 IP65

#### Putere

30W

#### Culoare deschisă

Warm white

#### Stamps

## Specificatii tehnice

|                              |               |                                          |               |
|------------------------------|---------------|------------------------------------------|---------------|
| Brand                        | Optonica      | On/Off Cycles                            | 25 000x       |
| Product Code                 | DL30-A1       | Instant On                               | 0.1s          |
| Power                        | 30W           | Material                                 | Aluminium     |
| Energy Consumption           | 30 kWh/1000h  | Operating Frequency                      | 50-60 Hz      |
| Input voltage                | AC100-240V    | Temperature                              | -20°C / +40°C |
| Flux                         | 3000lm        | Ra ≥                                     | 80            |
| FLUX per watt                | 100 lm/W      | Life span                                | 25 000 Hours  |
| IP                           | 65            | Lumen maintenance at end of service life | 70%           |
| Dimmable                     | No            | Size of product                          | Φ225x55 mm    |
| Correlated Color Temperature | 3000K         | Size of package                          | 258x60x258 mm |
| Light Color                  | Warm white    | Items per pack                           | 1             |
| EAN Code                     | 3800156628298 | Items per box                            | 10            |
| Energy Efficiency Label      | F             | Warranty                                 | 2 Years       |
| Beam angle                   | 120°          |                                          |               |
