

### Striscia LED 5050 Non Impermeabile Edizione Professionale

#### Potenza

14.4W/m

#### Colore della luce

Rosso

#### Stamps

## Specifiche tecniche

|                         |                  |                                          |               |
|-------------------------|------------------|------------------------------------------|---------------|
| Brand                   | Optonica         | Material                                 | Flex PCB      |
| Product Code            | ST5050-A1        | Operating Frequency                      | 50-60 Hz      |
| Power                   | 14.4W/m          | Temperature                              | -20°C / +40°C |
| Energy Consumption      | 14.4/m kWh/1000h | Ra ≥                                     | 80            |
| Input voltage           | DC12V            | Life span                                | 25 000 Hours  |
| Flux                    | 1000 lm/m        | LED Type                                 | SMD           |
| IP                      | 20               | LEDs/m                                   | 60            |
| Dimmable                | Yes              | Roll                                     | 5 m           |
| Light Color             | Rosso            | Lumen maintenance at end of service life | 70%           |
| EAN Code                | 3800156648234    | Size of product                          | 10 x 2mm      |
| Energy Efficiency Label | G                | Cutting distance                         | 50mm          |
| Beam angle              | 120°             | Gross weight                             | 0,082 kg      |
| Power Factor            | 0.5              | Net weight                               | 0,013 kg      |
| On/Off Cycles           | 25 000x          | Warranty                                 | 2 Years       |
| Instant On              | 0.2s             |                                          |               |
