

**NOARK**

### Miniature Circuit Breaker Ex9BN 3P C40

Stamps

## Specifiche tecniche

|                                     |               |                                                                     |         |
|-------------------------------------|---------------|---------------------------------------------------------------------|---------|
| Brand                               | NOARK         | Concurrently switching N-neutral                                    | No      |
| IP                                  | 20            | Release characteristic                                              | C       |
| EAN Code                            | 8592765001481 | Number of protected poles                                           | 3       |
| Operating Frequency                 | 50-60 Hz      | Rated short-circuit breaking capacity Icn EN 60898 at 230 V [kA]    | 6       |
| Width in number of modular spacings | 3             | Rated short-circuit breaking capacity Icu IEC 60947-2 at 230 V [kA] | 10      |
| Power loss [W]                      | 14.1          | Voltage type                                                        | AC      |
| Number of poles (total)             | 3             | Current limiting class                                              | 3       |
| Nominal rated voltage [V]           | 400           | Over voltage category                                               | 3       |
| Nominal rated current [A]           | 40            | Pollution degree                                                    | 2       |
| Additional equipment possible       | Yes           | Warranty                                                            | 5 Years |
| Built-in depth [mm]                 | 74            |                                                                     |         |
