## USER MANUAL – LED SPLICING FRAME PANEL

SKU: 2748, 2749

Before installing the lighting fixture and starting its operation, carefully read this manual.

### PURPOSE

This manual accompanies the lighting fixture intended for general lighting in office spaces, public buildings, and specific auxiliary areas (kitchens, corridors, lobbies, wardrobes, technical floors, etc.).

### PACKAGE CONTENTS

1. Lighting Fixture – 1 pcs.
2. User Manual – 1 pcs.
3. Packaging – 1 pcs.
4. Mounting Kit – 1 pcs.

### SAFETY REQUIREMENTS

1. All installation and maintenance work must be carried out by a qualified electrician.
2. Do not use dimmers, illuminated switches, or other devices that alter the power supply.
3. Servicing the fixture while it is turned on is prohibited.
4. Always disconnect the power supply before performing any work.
5. Disassembling the fixture is prohibited.

### INSTALLATION

1. Choose a suitable installation location.
2. Route the power cables (power supply must be disconnected).
3. Remove the mounting platform by sliding it sideways away from the center.
4. Connect the power cables to the terminals in the junction box on the back.
5. Secure the mounting platform using screws.
6. Install the fixture by sliding it toward the contacts until it locks and aligns with the guides.
7. Check the operation of the fixture.

### STORAGE AND MAINTENANCE

1. Avoid mechanical damage during loading and transportation.
2. Maintenance should be performed by qualified personnel.
3. Clean with a soft, dry cloth.
4. Do not use solvents or other aggressive cleaning agents.
